Sports Leaders UK

Sports Leaders UK is a charity delivering sports leadership awards and qualifications for over 110,000 people a year, through over 4,000 schools, colleges and local authorities. It acts as an awarding organisation providing nationally recognised qualifications and is now extending the reach of the awards and qualifications by investing directly in community delivery of sports leadership.

Sports Leaders UK courses change lives, sometimes even save lives. The range of awards and qualifications equips people with the skills and motivation to create and run sporting activities in the community. More than that, having learned the skills, Sports Leaders then deliver community activities on a voluntary basis as part of the qualification.
