

The Association for professionals in physical education, sport and dance.

Mission Statement

The Association for Physical Education is committed to being the UK representative organisation of choice for people and agencies delivering or supporting the delivery of physical education in schools and in the wider community.

Our corporate objectives are to:

- Demonstrate the distinctive role of physical education in children's and young people's development and achievements;
- Establish and sustain physical education at the heart of school life and whole-school development, through support for high quality learning and teaching; research; ethical leadership; and politically informed advocacy and representation;
- Raise awareness of physical education's contributions to public health and well-being;
- Play a leading role in the development of a workforce with the skills and qualities required to assure high quality physical education and sport in schools and in the wider community;
- Provide high quality, professional, sustainable services for its members and partners.

What we do

We provide a range of information about the Association's activities through our website www.afpe.org.uk. The website has a secure log-in area which includes resources and information exclusive to members. Additionally we:

- Provide a range of accredited bespoke and National CPD activities through the **National College for Continuing Professional Development** including resources, regional CPD, coaching and mentoring support and occasional papers;
- Organise **regular meetings** through the regional and home country network in order to discuss regional and national priorities;
- Provide **insurance cover** for members, with optional additional cover available;
- Offer **advice and support** to individual members on a wide range of issues including health & safety, legal matters, curriculum issues and career advice;
- Offer **service level agreements** to provide physical education support to institutions & LAs;
- Provide opportunities for **consultancy work** for members;

- Publish **Physical Education Matters** and **Primary Physical Education Matters**, afPE's quarterly journals for members, which provide a forum for sharing professional views and opinions and feature articles on pedagogy, current issues and CPD;
- Provide a free **monthly membership newsletter** and regular updates/newsflashes. In addition a free **SMS text message service** is also available for members to sign up to;
- Publish a referenced **research Journal, Physical Education & Sport Pedagogy** which is peer reviewed and carries a Research Assessment Exercise (RAE) rating. It promotes the communication of educational research in physical education and related fields and features data-based and advocacy papers on instruction, learning and curriculum and especially the interdependence of these dimensions of pedagogy. It is published 4 times per year;
- Organise an **annual conference**. This event is the essential conference for everyone involved in the delivery of high quality Physical Education, sport and dance. It is offered at a discounted rate to members.
- **Produce a range of publications** and resources, including:
 - Safe Practice in Physical Education and School Sport
 - Assessment for Learning
 - School Induction Pack for Adults Supporting Learning
 - A Guide to Self Review in Physical Education
 - School Self-evaluation in Physical Education: A Resource Pack
